## **7.2. Annexure 2: Rules and Guidelines for release of Electric Power**

### ***(If electricity provided by NMRC)***

1. Electric power required for commercial activity within footprint of metro station is required to be sourced from existing available source of NMRC station; availing power supply from outside agencies in NMRC is not permitted. The disbursement of power at different stations shall be dealt with individually under separate connections.
2. The power supply connection released for commercial activity shall be from the available NMRC power network, which is reliable having adequate redundancy. DG supply will not be made available. The power fed shall be from normal source without backup network, Licensees may however, provide UPS / Inverter at their cost if they so desire. Installation of DG set is not permitted.
3. NMRC will attempt to provide electricity at the point nearest to location; Licensee is required to pay the cost of electrical works required for extension of power from NMRC panel / DB up to site on actual basis + NMRC service charges @15%. Alternatively, Licensee may also undertake electrical work for extension of power from nominated source under NMRC supervision and complying all codal provisions as listed in NMRC specifications, upon payment of requisite fees of Rs. 10,000/- per feeder (one feeder with energy meter).
4. NMRC provides power supply up to leased premises on chargeable basis. For meeting the requirement following works shall be done:
  - a. Supplying and laying including end termination of suitable size (rating suitable for allowable electric load) LT FRLS cable (from source to nearest point) as per standard specifications.
  - b. Supplying and laying of meter box, pre-paid energy meter and MCB for extending the power. Pre-paid energy meters require periodic recharge if timely recharge is not done then electric supply is automatically disconnected.
5. Licensee shall extend power supply from this Meter box at his own cost. Please find attached list of approved makes and specifications to be complied for carrying out electrical works inside leased premises in Annexure 6: Specifications for Electrical Works. Licensee is also required to comply with necessary provision for fire safety in accordance with stipulations. The work executed by Licensee shall be inspected by NMRC representative for ensuring compliance of specifications / stipulations of contract.
6. At the end of the contract (pre-mature surrender/termination, natural completion, etc.), all cable, pre-paid meter, connected software, etc. shall be sole property of NMRC. The Licensee voluntarily and unequivocally agrees not to seek any claim, damage, compensation or any other consideration whatsoever on account of time and costs associated, in making provision of electricity.
7. Mode of power supply: If Licensee desires they may seek temporary or permanent connection. Temporary connection is given for limited time i.e. 30 days.
8. Permanent connection is given after ensuring all safety compliance and completion of electrical and fire safety works in leased premises in all respect.
9. During tenure of temporary power supply 100/- per week per KW or part thereof shall be charged over and above applicable tariffs.
10. In case of failure to convert, the temporary connection to permanent within stipulated time, temporary connection charge shall be doubled. Format of application for temporary and permanent connection and lists of documents required are attached at Annexure 3 : Format of Application for Temporary Power Supply and Annexure 4 : Format of Application for Permanent Power Supply
11. Tariff: Rate of electricity shall be charged from Licensee at which concerned Electrical Connection providing Agency would be charging, had they obtained electric connection from them. The tariff shall be applicable according to same.

## 7.6. Annexure 6: Specifications for Electrical Works

1. Licensee is required to prepare all the plans/drawings for Electrical & Fire work to be carried by them and obtain prior approval of NMRC before execution. The work is required to be executed as per IE rules and through a licensed Sub Contractor. All costs associated with provision of electricity will be borne solely by the Licensee. The Licensee hereby voluntarily and unequivocally agrees not to seek any claim, damages, compensation or any other consideration whatsoever on account of time and cost associated in making provision of electricity.
2. For Elevated station, load up to 10 KVA shall be given in single phase. Above this, it shall only be given in three phase. Licensee is required to balance load at his end so that no unbalancing occurs at NMRC end.
3. Cables upto 6 Sq.mm will be of copper conductor and above 6 Sq.mm Aluminum conductors may be used. Cables for single phase shall be three core, with one core as earth. For three phase load, four core cable along with separate 2 nos. of 8 SWG GI wires shall be used for earthing.
4. For elevated stations, all wires shall be FRLS. Cables shall be armoured, XLPE, FRLS.
5. The meter along with MCB & ELCB box will be metallic and without any holes. DP MCB & ELCB is required for single phase supply. TPN MCB and ELCB is required in case of three phase. ELCB, cables, MCB rating for main connection shall be as per Table- 1 below.
6. Licensee will provide a separate protection for their electric requirement with proper discrimination with upstream breaker.
7. All materials specification must follow standards, codes and specification as used by NMRC in the E&M works.
8. In case, the Licensee draws power more than the sanctioned load, electricity connection may be disconnected. The electricity connection will be restored on first occasion only when Licensee pays necessary penalty as per Uttar Pradesh Electricity Regulatory Commission norms and removes excess load. On the subsequent occasion, NMRC reserves the rights to revoke the license and forfeit the interest free security deposit.
9. Only Galvanized Cable tray, Conduit, Cable Ladder shall be allowed.
10. All Plastic accessories used in luminaries shall be non-flammable material, meeting all the NFPA requirements, preferable by UV.

## 7.7. Annexure 7: Declaration

### On Non Judicial Stamp Paper of Rs. 100/- (duly notarised)]

I \_\_\_\_\_, son/daughter/wife of \_\_\_\_\_ Resident of \_\_\_\_\_ (hereinafter referred to as the "Applicant", which term shall mean and include executors, administrators, heirs, successors and assigns), do hereby swear and declare as under:

OR \_\_\_\_\_, a company incorporated under the provision of the Companies Act 1956, a sole proprietorship, a partnership having its registered office at \_\_\_\_\_ (hereinafter referred as "Applicant", which expression shall unless repugnant to the context or meaning thereof, include its successors and assigns), do hereby swear and declare as under:

That the Applicant is an occupant of the premises No. \_\_\_\_\_ at \_\_\_\_\_ having taken the premises from NMRC on the terms and conditions agreed to with NMRC which include that NMRC may supply electricity as a part of the lease or license of the premises, based on the commercial arrangement.

The Applicant has requested the NMRC to provide an electricity connection at the abovementioned premises in the Applicant's name for the purpose mentioned in the application form.

#### **The Applicant hereby agrees and undertakes:**

1. That the Applicant desires to have and agrees with NMRC to take supply of energy for the above mentioned purpose, for a period of not less than two years from the date of commencement of supply and to pay for the energy so supplied and all other charges at the rates as per Tariff Schedule and the miscellaneous charges for supply as may be in force from time to time, including advance Consumption Deposit etc.
2. That the Applicant shall have no objection for the Electrical Connection providing Agency to carry out Inspections of the Applicants' Meters & Equipment & any Observation made by such Agencies, Which are acceptable to NMRC, shall be binding on the Applicant for Attention/Compliance.
3. That NMRC shall be entitled to disconnect the supply of energy by issuing a disconnection notice in writing, to the Applicant, if the Applicant is in default of payment of the due charges.
4. That the applicant shall pay the full amount mentioned in the Monthly/Bi-monthly Consumption Bill as raised by NMRC before the last date mentioned in such Monthly/Bimonthly Bill. Applicant shall provide Test Report/Calibration report in regard to Energy Meter installed. NMRC may ask Applicant to recalibrate the Energy Meter whenever considered necessary.
5. That all or any taxes/duties, as may be levied on the supply of electricity to the Applicant by NMRC, shall be paid and borne by the Applicant.
6. That the Applicant agrees that NMRC would accept an application from the Applicant for reduction in load only after two years from the original sanction. All applications for load enhancement by the Applicant would be dealt with by NMRC as a new connection and NMRC would follow the procedure as in the case of a new connection.
7. That NMRC shall have the right to recover the fixed charges due as per applicable tariff for the remaining contracted period in case the contract is terminated prior to the expiry of the contracted period.
8. That all the electrical work done within the Applicant's premises including wiring, power outlets and gadgets are used and maintained properly for guarding against short circuits/fires and are as per the Indian Electricity Rule, 1956 and other applicable laws, statutory provisions and standards in force at the time, and indemnify NMRC against any loss accrued to the Applicant on this account. Further, the Applicant agrees that if there is any harm/loss to the property of NMRC or to any other

third party due to fault in the electrical work, outlets or apparatus within the premises of the applicant, all the loss shall be borne by the Applicant.

9. To pay NMRC all costs and expenses that NMRC may incur by reason of a fresh service connection being given to the Applicant.
10. To indemnify NMRC against all proceedings, claims, demands, costs, damages and expenses that NMRC may incur by reason of a fresh service connection given to the Applicant.
11. To be bound by NMRC's conditions of supply, and all applicable acts and rules.
12. That NMRC shall not be responsible for any interruption/diminution of supply.
13. Others
  - 13.1. Applicant will have to provide a Low voltage switch-board with MCBs & ELCB's of required capacity with Electronics Static Energy Meters having provision of MDI, TOD etc. of required capacity at his cost conforming to relevant BIS standards and of approved make along with test certificate shall be arranged by the applicant. The meter shall be installed and sealed by NMRC, either within the premises of the applicant or at a common meter room/board. Applicant shall not tamper with or disturb the meter in any manner whatsoever, and shall be responsible for its safety.
  - 13.2. NMRC shall provide supply, if available, at one fixed point as per NMRC plan. All cabling work to tap off the supply from the fixed point and to avail it within his premises shall be done by the applicant. Approval to the layouts/schemes/details shall be taken from NMRC.
  - 13.3. Only FRLS cable of required size shall be used for tapping off supply from NMRC fixed supply to Applicant premises in rigid GI Conduit pipe.
  - 13.4. Applicant will also do wiring within his shop/stall by using GI conduit or fire resistance PVC casing/capping. The Applicant shall use FRLS copper wire of the required size (the wiring scheme, the type of wiring, size of wires, various loads, plug point, light fan etc. shall be as per NMRC's approval).
  - 13.5. NMRC will provide Power Supply of single phase, 230V, 50Hz for a max. Connected load up to 10kW, Electrical load requirement exceeding 10 KW will be given on 3-phase, 415V, 50Hz subject to availability.
  - 13.6. Applicant shall be given only normal power supply available in station premises. Applicant may use suitable voltage stabilizers and power factor correction equipment as per his requirement. NMRC shall not be providing any standby power supply from station DG set or UPS.
  - 13.7. Applicant shall not be permitted to use any standby Diesel Generator Sets. Applicant will only be the permitted to use standby UPS/Inverter system will also be taken as a part of total connected load.
  - 13.8. The Total Demand Load & Total Connected load shall be treated as same. Applicant will have to pay applicable demand charges as per the Total Connected Load Only.
  - 13.9. Applicant shall use Energy efficient lighting & shall provide proper Lighting fixtures, Lamps, Electronic Ballast etc. Applicant shall provide uniform & good illumination level not less than 100 Lux in any case.
  - 13.10. Applicant shall use reputed Brand/make Electrical wiring and switch gear items. The Electrical Contractor/agency at Applicant's cost shall carry the entire work. NMRC's representative may inspect and supervise the work.
  - 13.11. Applicant shall provide proper Earthing connection as per the applicable standards and shall terminate the same to the NMRC's Distribution Board or to any other place as directed by the NMRC. Installation Test Report issued by licensed electrical wiring contractor in the prescribed

format (available with the application form) and countersigned by the applicant shall be submitted by the Applicant. Every shop/ property Development area must have enough Fire Extinguishers as stipulated.

- 13.12. Applicant will not be allowed to provide Room Heating appliance of any kind.
- 13.13. The power shall be supplied normally at the rate of 0.5 KVA/Sq.Mtr. of space licensed out. Minimum load to be given shall be 2 KVA on which the demand charges as applicable shall be paid by the Applicant. Additional power up to 10 kW on single phase and thereafter on three phase system if required by the Applicant will be supplied subject to availability at an additional cost and conditions to be stipulated by NMRC.
- 13.14. In case, Applicant draws power more than the connected load, his electricity connection shall be disconnected. The electricity connection will be provided back on first occasion only when Applicant pays necessary penalty as per State ERC norms and removes excess load. On the subsequent occasion, NMRC reserves the right to revoke the license and forfeit the interest free security deposit.
- 13.15. In case, the Applicant is found misusing Electricity or tampering with the Energy meter, a token penalty of Rs. 1000/- will be charged from him along with disconnection of power supply. Reconnection of power supply will be done only after charging Rs. 100/- as reconnection fee and clearance of all dues duly obtaining approval of Competent Authority of NMRC.
14. That the Applicant shall have no objection at any time to the rights of NMRC to supply energy to any other consumer from the service line or apparatus installed on the Applicant's premises.
15. That the supply shall be used for the purpose that it has been sanctioned by NMRC and shall not be misused in any way to serve any other purposes.
16. That the supply shall not be extended / sublet to any other premises.
17. That the Applicant's industry/trade has not been declared to be obnoxious, hazardous/pollutant by any Government agency and that no court orders are being infringed by grant of applied electricity connection at the Applicant's premises.
18. That NMRC shall be at liberty to adjust the electricity consumption charges along with any other charges against the consumption deposit paid by the Applicant, in the event of termination of the agreement prior to the expiry of the contracted period or in case of any contractual default.
19. That NMRC shall be at liberty to transfer the dues remaining unpaid by the Applicant, after adjusting the advance consumption deposit, to other service connections(s) that may stand in the Applicant's name.
20. To allow clear and unencumbered access to the meters for the purpose of meter reading, maintenance, inspection, checking, testing etc.
21. That NMRC shall be entitled to disconnect the service connection under reference in the event of any default and /or non-compliance of statutory requirements and/or in consequence of legally binding order by statutory authority(ies)/court of Law, without prejudice to the NMRC's rights to exercise its rights under law including that of getting its due payments as on the date of connection. The Applicant undertakes to pay penalty imposed by NMRC on its own discretion for the damages caused to the leased property on account of any default or non-compliance of any statutory requirements.
22. That all details furnished in this Requisition form are true to the Applicant's knowledge. If any information is found incorrect at a later date, the company will have the right to withhold/disconnect supply, as the case may be, and forfeit the advance consumption deposit.

23. The applicant acknowledges and accepts that the relationship of the applicant with NMRC is not that of a consumer and an Applicant but that of a commercial arrangement where the applicant has taken on lease/license premises of NMRC and the Electricity connection is being provided as a part of the above arrangement.

The applicant further agrees that this declaration given by him will be construed as an agreement with the NMRC to the above effect.
