- a. Sole proprietorship, registered partnership firm, LLP, Public Limited Company, Private limited Company or Consortium of any of the above can submit the Bid. The firms and the companies should be registered in India & companies should be incorporated under the company act 1956/2013 The JV or Consortium preferably of two members & in no case more than three.
- b. The Bidder should have minimum average annual turnover of **INR 12.00 lacs** in the last 3 (three) Financial Years (2019-20, 2020-21 & 2021-22) preceding the Bid Due Date preferably from Parking Business for bidding of **per station parking lot**.

Example: If the bidder is bidding for 2 stations, the minimum average annual turnover should be **INR 24.00 lacs** in the last 3 (three) Financial Years preceding Bid Due Date is required. (Minimum average annual turnover per station * Number of Stations for which bid is submitted = INR 12.00 lakh x 2 stations = INR 24.00 Lakh)

In case of a Bid by a Consortium of firms, following shall be abided by their members:

- i. For the purpose of evaluation of the consortium, each member's contribution towards the turnover shall be considered in the same ratio of their equity participation in the consortium. (Illustration: Say If "A" and "B" are two members of Consortium. "A" is having 70% equity holding in Consortium and "B" is having 30% equity holding in Consortium. In such a condition, 70% of "A's" total turnover and 30% of "B's" total turnover will be taken into consideration for evaluation of eligibility of the Consortium).

It is to be noted that the Bidders need to specify the Preference number for each of the Bided Station as per Clause/Appendix of Tender Document. In case, the turnover mentioned doesn't suffice for the number of Bided Station(s), the preference order shall be taken into consideration and only stations in the preference order meeting the turnover criteria shall be evaluated.

(Minimum average annual turnover per station * Number of Stations = INR 12.00 Lakhs x 2 stations= INR 24.00 Lakhs). But the turnover specified by the Bidder is let's say INR 22.00 Lakhs.
