The Noida Metro Rail Corporation (NMRC) has decided to introduce 'fast trains' in the Aqua Line. With the fast trains, the distance between Greater Noida's Pari Chowk and Noida's Sector 51 metro stations will be covered in 28 minutes. However, these fast trains will not halt at Sector 50, 101, 81, 83, 143, 144, 145, 146, 147 and 148 stations during the peak hours on weekdays.
