222	NGNEDDC/Volume-1/NIT Pg. 7	Tenderers shall not have a conflict of interest. All Tenderers found to have a conflict of interest shall be disqualified. Tenderers shall be considered to have a conflict of interest with one or more parties in this bidding process, if: a tenderer has been engaged by the Employer to provide consulting services for the preparation related to procurement for an implementation of the project; a tenderer is any associates/affiliates (inclusive of parent firms) mentioned in subparagraph (a) above; or a tenderer lends, or temporarily seconds its personnel to firms or organizations which are engaged in consulting services for or implementation of the project, if the personnel would be involved in any capacity on the same project.	Would request client for addition of below point: "It is further clarified that the successful bidder for this contract, is not barred from participating in the tender Project/ Programme Management Consultant or General Consultant (GC) provided that the deliverables for DDC shall be scrutinised / proof read by the independent third party. Such third party shall be engaged by NMRC for such proof reading & design review. This cost shall be borne by the Project/ Programme Management Consultant or General Consultant (GC) upon its selection". Justification: The approach of appointing an independent third party to conduct design proof checks is fully aligned with current industry best practices. In recent years, several esteemed clients—including Gurgaon Metro, Maha Metro, DMRC, and others—have successfully adopted this model. This approach ensures impartial evaluation of designs, further mitigates potential conflicts of interest. For Kind Consideration.	No change in tender condition. <u>Refer Addendum-03.</u>
