Chapter-1

Introduction

- 1.1 Noida and Greater Noida are being developed as the satellite towns to New Delhi. More and more people from Delhi and other areas are shifting to these towns in search of fresh air, greenery and better infrastructure. In addition to this, people also coming to these areas for better education, service and business opportunities. Therefore, there is a need of providing an efficient, reliable, fast and comfortable transportation system for the population intending to settle in these towns of Noida & Greater Noida.
- 1.2 Noida Metro Rail Corporation is a Special Purpose Vehicle (SPV) formed for planning and executing urban transport projects in Noida & Greater Noida Regions. The Company desires to provide a world-class Public Transportation System with state-of-the-art technology. As such, the overarching criterion for setting up of the Company is to help create an efficient, safe, reliable, economical and affordable public transport system within Noida & Greater Noida Region.
- 1.3 For the above-mentioned purpose, an elevated (above the ground level) Metro line between Noida and Greater Noida has been constructed and is operational for public.
- 1.4 As an alternative source of revenue generation other than fare box revenue and a part of its existing mandate, Noida Metro Rail Corporation Ltd. (NMRC) has also undertaken to capture value from various property business/property development activities in such a manner that on one hand it gives sustainable additional revenue to the corporation and on other hand facilitating NMRC commuters by providing one stop solution for most of their needs. In this regard, bare commercial spaces available at the prominent metro stations are offered to interested bidders. All these spaces are at highly prominent spot, having a potential of enormous amount of footfall. These spaces are considered ideal for selling packaged edible items, beverages and other items etc. except banned Items/negative list given in Annexure of Bid document. This is considered a valuable and scarce opportunity for setting up popular outlet/kiosks at a prime location in the heart of city at place that has huge and incessant footfall, all year long. Impeccable cleanliness and very hygienic operation is warranted. Potential Bidders are advised to visit the premises to satisfy themselves that the space(s) is (are) suitable for setting up their business.
- 1.5 An information document covering the purpose of the license, details of tendered space may be viewed on NMRC website www.nmrcnoida.com and can be downloaded and submit online on the website <http://etender.up.nic.in>

ELIGIBILITY CRITERIA FOR BIDDERS

The Bidder's competence and capability is proposed to be established by the following parameters.

The Bidder should meet all the criteria given in this Chapter.

- 3.1 The bidder should be any entity i.e. Sole Proprietorship, Registered Partnership Firm, LLP, Public Limited Company, Private Limited Company. The firms and the companies should be registered in India & companies must be incorporated under The Companies Act 1956/2013. The Bidders' competence and financial capacity is proposed to be established in terms of average annual turnover ("Average Annual Turnover").

As the bidder can bid for any one or all the offered spaces at below-mentioned Metro Stations, their eligibility and financial capacity is proposed to be established in terms of average annual turnover ("Average Annual Turnover") and that is tabulated under:-

S. No.	Name of the Metro Station	Tentative commercial area offered (In Sqm)	Required Annual Average Turnover (In Rs.)	Required EMD (In Rs.)
1.	Sec – 51	61.80	₹ 43,00,000.00	₹ 2,00,000
2.	Sec – 50	77.40	₹ 35,00,000.00	₹ 2,00,000
3.	Sec – 137	523.75	₹ 79,00,000.00	₹ 3,00,000

Offer of Bidder(s) for one or more than one space(s) will be considered only in case the bidder's Annual Average Turnover is more than the cumulative Annual Average Turnover required for spaces applied for.

Illustration: - If a bidder wants to bid for all the offered spaces mentioned at S. No. (1) to (3) above, their annual average turnover should be Rs. 1,57,00,000/- (Rs. 43,00,000/- + Rs. 35,00,000/- + Rs. 79,00,000/-).

The Bidder should have minimum average annual turnover in the last 3 (Three) Financial Years **(2023–24, 2024–25 and 2025–26)** from the any legitimate business activities, Retail Business, Operations of commercial kiosks etc. preceding to the e-Bid Due Date in the tune as mentioned in the table above and should have active business during the last 3 years. Bidders can bid for either or all the offered Metro Stations subject to submission of specific EMD mentioned in the NIT as the case may be.

Also, Profit Before Tax of the participant bidder should be positive in any two financial years out of the three audited financial years i.e., FY 2023 – 24, 2024 – 25 & 2025 – 26.

It is to be noted that the Bidders need to specify the Preference number for each of their Bided Station as per Annexure-18 of this RFP. In case, the turnover mentioned doesn't suffice for the number of Bidding Stations, the preference order shall be taken into consideration and only stations in the preference order meeting the turnover criteria shall be evaluated.

- 3.2 The Bidder should not have been
- Blacklisted/banned/debarred business/declared ineligible for corrupt and fraudulent practices by NMRC/any other Metro Organizations, Ministry of Housing & Urban affairs/Order of Ministry of Commerce, applicable for all ministries/ State Government and its agencies and Supreme Court of India as on date of tender submission.
 - The Bidder should not have any pending litigations, court cases, arbitration & conciliation proceedings as well as any other legal disputes etc. with the Government of India/ any State Government/Government Agency/PSU and Autonomous Bodies as on date of tender submission. In case, the bidder has any pending legal dispute as mentioned above, the bid of the said bidder shall not be accepted.
 - Also, no contract of the Bidder executed in either individually or in a JV/Consortium, should have been rescinded/terminated by NMRC after award due to non-performance of the Bidder.

Tender for setting up, operating and maintaining mixed convenience stores in the form of kiosks through licensing of Bare Commercial Spaces at Sector-51, Sector-50 and Sector-137 Metro Stations of Noida – Greater Noida Corridor of Noida Metro Rail Corporation Ltd.

- (iv) In case at a subsequent date the successful bidder/licensee is found to have been banned for business given above, NMRC shall be at liberty to and have full rights to cancel the allotment of subjected contract/License Agreement and forfeit the Interest Free security Deposit after adjusting any dues payable by the successful bidder/Licensee.
- (v) If there is any misrepresentation of facts by the bidder in their bid submission, the same will be considered as “Fraudulent practice” and the bid submission of such bidders will be summarily rejected and also further action shall be taken as per terms of RFP Document and/or other applicable laws/rule.

Bidder shall undertake the above as per Annexures of RFP.

4.1 Scope of work:-

- a) The selected Bidder shall use the offered locations (Please refer Table – 1, Table – 2, Table-3, Table-4 and Table-5 below) at Sector-51, Sector-50 and Sector-137 Metro Stations for the sole purpose of installation/developing, operating and maintaining the kiosk in the form of temporary structure and adhering to the sample concept and design of kiosk which is provided in this RFP and operate business activities except those which are under negative/banned usages list provided in this RFP, with the prior approval of NMRC during the license period term and shall ensure that the business activities must be developed, operated and maintained as per international standards which will further enhance the aesthetic and brand value of NMRC and further the range of products must be comparable both in terms of quality and price in accordance with the Good Industry Practice. The detailed scope and the terms and conditions governing the license defined and stipulated in the License Agreement.

5.18 Preparations & Submission of e-Bid

- The bidders who have downloaded the RFP/tender Document from the website www.nmrcnoida.com or <http://etender.up.nic.in> should carefully note the following:-
 - the bidders should ensure that the complete RFP Document has been downloaded
 - In case of any correction/addition/alteration/omission in the Tender Document observed at any stage, the bid shall be treated as non-responsive and shall be rejected out rightly
- The e-bid submission module of e-procurement website <http://etender.up.nic.in> enables the Bidders to submit the e-Bid online in response to this e-Bid published by NMRC.
- Bid submission can be done only from the bid submission start date and time till the bid submission end date and time given in the NIT or in corrigendum/addendum (if any). Bidders should start the bid submission process well in advance so that they can submit their e-Bid on time.
- The Bidder should submit their e-Bid considering the server time displayed in the e-procurement website. This server time is the time by which the e-Bid submission activity will be allowed till the permissible time on the last/end date of submission indicated in the e-Bid schedule.
- Once the e-Bid submission date and time is over, the Bidders cannot submit their e-Bid. For delay in submission of e-Bid due to any reasons, the Bidders shall only be held responsible.

The Bidders have to follow the following instructions for submission of their e-Bid:

- f) The prospective/intending bidder must be registered on e-tendering portal <http://etender.up.nic.in>. Those who are not registered on e-tendering portal required to be registered before hand. The Bidders must obtain a user login Id and password by registering themselves with U.P. Electronics Corporation Ltd., Lucknow if they have not done so previously for registration. After registration, the bidder will get user ID and password. On login, Bidder can participate in Tendering Process and can witness various activities of the process.
- g) The authorized signatory of intending bidder, as Power of Attorney (POA), must have valid Class II or Class III certificates with signing key usage digital signature. The RFP Document can only be downloaded or uploaded using Class II or Class III Certificates with signing key usage digital signature of the authorized signatory.
- h) In addition to the normal registration, the Bidder has to register with his/her digital signature certificate (DSC) in the e-Bidding system and subsequently he/she will be allowed to carry out his/her e-Bid submission activities. Registering for the digital signature certificate (DSC) is a one-time activity. Before proceeding to register his/her DSC, the Bidder should first log on to the e-Bidding system using the user login option on the home page with the login Id and password with which he/she has registered.
- i) For successful registration of DSC on e-procurement website <http://etender.up.nic.in> the Bidder must ensure that he/she should possess class-2/class-3 DSC issued by any certifying authorities approved by controller of certifying authorities, Government of India, as the e-procurement website <http://etender.up.nic.in> is presently accepting DSC issued by these authorities only. The Bidder can obtain user login Id and perform DSC registration exercise given above even before the e-Bid submission date starts. NMRC shall not be held responsible if the Bidder tries to submit his/her e-Bid at the moment before end date of submission but could not submit due to DSC registration problem.
- j) The Bidder can search for active Bids through "search active tenders" link, select a Bid in which he/she is interested in and then move it to 'My Tenders' folder using the options available in the e-Bid submission menu. After selecting the Bid, for which the Bidder intends to e-Bid, from "My tenders" folder, the Bidder can place his/her e-Bid by clicking "pay offline" option available at the end of the view Bid details form. Before this, the Bidder should download the e-Bid document and price schedule/bill of quantity (BOQ) and study them carefully. The decision of NMRC as to which of the tenders/bidders are not substantially responsive shall be final.
- 6.5.2. Opening of Financial e-Bid**
- a) After evaluation of Technical e-Bid through the evaluation committee, NMRC shall notify those Bidders whose technical e-Bids were considered non-responsive to the conditions of the RFP Documents and not meeting the technical specifications and qualification requirements indicating that their financial e-Bids will not be opened.
 - b) NMRC will simultaneously notify the Bidders, whose technical e-Bids were considered acceptable to the NMRC. The notification may be sent by e-mail provided by Bidder.
 - c) The financial e-Bids of technically qualified Bidders shall be opened in the presence of representative of technically qualified bidders who choose to attend.
- 6.6 Correction of Errors**
- a) Financial Bids determined to be responsive will be checked by NMRC for any arithmetic errors. Where there is a discrepancy between the rate quoted in the Financial Bid, in figures and in words, the amount in words will prevail over the amounts in figures, to the extent of such discrepancy.
 - b) The amount stated in the Financial Bid will be adjusted by NMRC in accordance with the above procedure for the correction of errors and shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected quoted rate of e-Bid, his e-Bid will be rejected, and his e-Bid Security shall be liable for forfeiture.
- 6.7 Evaluation of Bids:-**
- The evaluation and assessment for the selection of the bidder shall be based on the Bid variable i.e. ***the Per Sqm Per Month License Fee rate (excluding taxes) quoted by the Bidder for the offered space at particular/individual Metro Station.*** The Technically eligible bidder, quoting the Highest ***Per Sqm Per Month License Fee rate for all the*** offered space(s) at particular Metro Station of his choice, shall be the Highest Bidder (H1) for that Metro Station and whose offer shall be evaluated and assessed by NMRC. In case the financial quote/bids of two or more bidders are equal and that are the highest bidder, then the bidder having the highest turnover in last three financial years will be selected for awarding of contract. Further, in case, two or more responsive bidders have the same higher/ highest Average Annual Turnover, then the decision shall be taken by MD, NMRC which will be final & binding and notified to the concerned Bidders.
- 6.8** After evaluation of Bids, Notice of Award (the "NOA") shall be issued in duplicate, by NMRC to selected bidder and the Selected Bidder, shall within 15 (Fifteen) days from the date of issue of NOA, submit its Acceptance in the form of Letter of Acceptance and return duplicate copy of NOA, duly signed and stamped as token of unconditional acceptance and acknowledgement thereof. In the event the duplicate copy of NOA, duly signed and stamped by the selected bidder is not received by the stipulated date, NMRC may, unless it consents to extension of time for submission thereof, cancel the NOA & forfeit appropriate EMD & any other payments made to NMRC by such selected bidder as damage on account of failure to unconditionally accept the NOA.
- 6.9** After acknowledgement of the NOA through Letter of Acceptance and compliance of its terms and deposit the payments, the Licensed Space will be handed over to the Selected Bidder/Licensee and selected bidder shall execute License Agreement within the stipulated time

period which is also mentioned in the NIT. The selected bidder shall not be entitled to seek any, deviation, modification or amendment in the License Agreement.

- 6.10 Confidentiality:** - Information relating to the examination, clarification, evaluation, and recommendation for the Bidders shall not be disclosed to any person who is not officially concerned with the process or is not a retained professional advisor advising NMRC in relation to or matters arising out of, or concerning the Bidding process. NMRC shall treat all information, submitted as part of Bid, in confidence and shall require all those who have access to such material to treat the same in confidence. NMRC may not divulge any such information unless it is directed to do so by any statutory entity that has the power under law to require its disclosure or is to enforce or assert any right or privilege of the statutory entity and/or NMRC as may be required by law or in connection with any legal process.
- 6.11** The documents including this RFP Document and all attached documents, provided by NMRC shall remain or become the properties of NMRC and are transmitted to bidders solely for the purpose of preparation and submission of a Bid in accordance herewith. Bidders are to treat all information as strictly confidential and shall not use it for any purpose other than for preparation and submission of their bid. The provisions of this Clause shall also apply to Bids and all other documents submitted by the Bidders, and NMRC shall not return to the Bidders any Bid, Document or any information provided along with.
- 6.12 CONCEPT NOTE AND DESIGN PROPOSAL:** -
- a) The Bidder will also be required to submit, a **CONCEPT NOTE AND DESIGN PROPOSAL**, including images/perspective, which shall include the details specified in the below Table:-

Details to be furnished	
(i)	Concept design with images.
(ii)	Power requirements.

This should be submitted along with technical package. Bids that are accompanied with the concept and design proposal which lacks clarity, the tender committee at its discretion may call for such clarification or for such submissions as may be required with in such time as informed to the bidders in writing. If the bidders fail to submit the clarification or the necessary documents within the prescribed time the committee shall reject the bid submission.

- (b) NMRC at its discretion may invite the bidder to make a presentation to the Technical Evaluation Committee to understand the concept design and proposal
- (c) Though the concept notes, and design proposal will not be considered for the purpose of evaluation of the bid submissions, the successful bidder shall by and large adhere to the concept and design proposal submitted in the fit out. If the commercial space is not substantially adhered to the design finalized, NMRC can refuse to issue the permission for commencement of the work, until such time the design is modified substantially to meet the approved design.
- d) If the Bidder is declared as the Selected Bidder, the Commercial Space to be set up shall be by and large as per the Concept and Design Proposal submitted by the Bidder. NMRC may suggest some design changes to improve upon the concept design, for which nothing extra will be paid or license charges reduced. However, the responsibility of detailing the design and ensuring its workability including costs is the sole responsibility of the bidder. Any subsequent change of the design after its final approval shall require the written approval of NMRC. If the commercial space is not up to the standards as per the final design, NMRC can stop the work and direct the construction/fabrication to be as per the approved design. If the licensee fails to execute as per the approved design, the license can be terminated, and security deposit forfeited.

The Licensee has accepted this contract for the execution and completion of the work.

In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in the RFP documents/License Agreement referred to.

NOW THEREFORE THIS AGREEMENT WITNESSETH AND IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

The following documents shall be deemed to form part of and be read and construed as an integral part of this License Agreement, namely:

- (i) RFP/Bid Documents
- (ii) Notice of Award (No.....) issued by NMRC on dated.....
- (iii) Letter of Acceptance given by Licensee on datedto NMRC.
- (iv) Addendums & Corrigendum (If any)
- (v) Document regarding Handing Over of space
- (vi) Any other admitted correspondence/ documents between NMRC and the Bidder.

The Licensee hereby covenants as follows: -

1. Noida and Greater Noida are being developed as the satellite towns to New Delhi. More and more people from Delhi and other areas are shifting to these towns in search of fresh air, greenery and better infrastructure. In addition to this, people also coming to these areas for better education, service and business opportunities. Therefore, there is a need of providing an efficient, reliable, fast and comfortable transportation system for the population intending to settle in these towns of Noida & Greater Noida. To fulfill the above requirement of efficient and reliable transportation system to the people of Noida and Greater Noida, NMRC has already started a Metro Service on the Noida-Greater Noida (NGN) corridor. The NMRC desires to provide a world-class Public Transportation System with state-of-the-art technology. As part of its existing mandate Noida Metro Rail Corporation Ltd. (NMRC) has also undertaken to capture value from real estate in such a manner that on one hand it gives sustainable additional revenue to the corporation and on other hand facilitating NMRC commuters by providing one solution for most of their needs. It also provides incentive for private sector participant developers. Through this bid, NMRC intends to select a ‘Licensee’ to take up

“ _____ (Name of Work)” on License Basis at _____ Metro Station.

2. That the said premises shall exclusively belong to the **NMRC**, without creating any right, title or interest of whatsoever nature in the said premises in favour of the LICENSEE. This License Agreement shall commence from _____ and shall continue up to _____ or from any other date decided by NMRC unless otherwise terminated earlier as per the provision of this license agreement.
3. That the Licensee takes up on license basis the space as specified and solely for the purpose of carrying out the business as specified in this license agreement and permissible by **NMRC** administration other than indicated in **Banned/Usage of Negative list as per Annexure – B** to operate the outlet/s thereon as per terms and conditions of this agreement.

The invoices for License fee shall be raised accordingly. The Licensee voluntarily and unequivocally agrees to make all payments as may be due on the due date, without waiting for any formal invoice from **NMRC**. In the events of non-receipt of invoices, the Licensee voluntarily agrees to collect the same from the concerned office of **NMRC**, before the due date. Non receipt of invoice shall not be a consideration for delayed or non-payment of dues and may be treated as a breach of agreement.
8. That the LICENSEE shall pay to NMRC a refundable interest free security deposit/ performance security equivalent to twelve months license fee for offered licensed carpet area. The interest free security deposit/ performance security shall be returned only on completion of the full term of license/as per exit clause available in this agreement.
9. That NMRC reserves the right for deduction of NMRC dues (if any) from Licensee's Interest Free Security Deposit/ performance security on the following grounds: -
 - 9.1 Any penalty imposed by NMRC for violation of any terms and conditions of Agreement committed by the Licensee.
 - 9.2 Any amount that NMRC Administration becomes liable to the Government/Third party on behalf of any default of the Licensee or any of his servant/ agent.
 - 9.3 Any payment/ fine made under the order/judgment of any court/consumer forum or law enforcing agency or any person working on his behalf.
 - 9.4 Any outstanding payment/claims of NMRC remained due after completion of relevant actions as per agreement.

Once the amount under this clause is debited, the Licensee shall reimburse the security deposit to the extent the amount is debited within 15 days period failing which it shall be treated as breach of agreement and action shall be taken accordingly.

10. That the LICENSEE shall at his own expense and cost employ/ engage suitable personnel for providing efficient service in respect of storage and sale of the said products in the said premises.
11. That the Licensee shall employ and engage trained skilled and qualified staff as their own employees and endeavor to provide services and their wages as per prevalent laws.
12. That the Licensee shall ensure that fire detection and suppression measures which are installed inside his premises are kept in good working condition. The Licensee shall at any case keep firefighting equipment as per **NMRC** requirements as indicated by the Fire officer/ Authorized representative of **NMRC** inside his premises in good working condition at all times and also train and keep trained all his employees in the use of these equipments.
13. That the personnel of **NMRC** and fire officer shall have unfettered access to the said premises, for inspection/checking of fire detection and suppression measures etc. The instructions issued by NMRC's representative shall be obeyed and complied with fully without any demur. Any costs associated with carrying out the instructions of the fire officer/ authorized personnel of NMRC shall be borne solely by the licensee.
14. That the Licensee shall ensure that all electrical wiring, power outlets and gadgets are used and maintained properly, for guarding against short circuits/ fires and observing all notified statutory provisions and standards.
15. That the LICENSEE hereby indemnifies **NMRC** against any loss, damage or liabilities arising as a result of any act of omission or commission on LICENSEE part or on part of LICENSEE personnel or in respect of non-observance of any statutory requirements or legal dues of any nature.
16. That the LICENSEE hereby agrees that **NMRC** shall have no responsibility as regards LICENSEE employees and the employees shall be the employees of LICENSEE only and shall not be construed under any circumstances as employees of **NMRC**. LICENSEE hereby indemnifies **NMRC** against the claims made by LICENSEE's employees against **NMRC**.
17. That LICENSEE hereby undertakes to discharge all statutory obligations and liabilities in connection with employment of its personnel in the said premises. LICENSEE hereby indemnifies NMRC against any liability arising in connection with the employment of its personnel in the said premises by LICENSEE. Licensee hereby undertakes to carry out police verification of its employees in advance.
18. That no tenancy/ sub-tenancy is being created by **NMRC** in favour of LICENSEE under or in pursuance of this Agreement and it is distinctly and clearly understood, agreed and declared by and between the parties hereto that:
 - 18.1 That the LICENSEE shall not have or claim any interest in the said premises as a tenant/ sub-tenant or otherwise:
 - 18.2 That no right as a tenant/ sub-tenant or otherwise is purported is intended to be created or transferred by NMRC in favour of LICENSEE in or in respect of the said premises, except to carry out their activities over the granted space under this License Agreement.

Non receipt of invoice will not be a consideration for delayed or non-payment of dues.
- 13.9** If electric supply to the licensed premises provided through NMRC then in case of restricted availability of power supply / breakdown, the station power requirements would get first priority and this may result in restriction / rostering of power supply to the Licensee in such situations. In such situations or any supply disruptions due to strikes of employees, breakdowns of machinery and plant, lockout, failures of incoming supply of NMRC or such causes where the supply of NMRC is affected by a cause or causes over which NMRC has no control, NMRC shall not be liable for any claims for loss, damage or compensation whatsoever, arising out of failure of supply due to any of the afore mentioned causes.
- 13.10** The Licensee voluntarily and unequivocally agrees to provide unfettered and unconditional access to the licensed premises for security checks by security officers of the licensor and also agrees to comply with all directives as may be given from time to time by the security officers/authorized representative of the licensor.
- 13.11 Misuse** - The Licensee shall use the granted space under the agreement only for those services provided therein and shall not use the same for any other purposes. In case, the Licensee carries on any business or uses the said premises for any other purposes the license shall deemed to have been misused and NMRC (Licensor) shall immediately terminate the said agreement. All liabilities for misused charges and mis-user proceedings, if so initiated shall be that of the Licensee only. The Licensee will indemnify and keep indemnified NMRC for any losses on this account.

- 13.12 Compliance with the Law** - The premises and the fixtures and the appurtenances thereto (except those installed by NMRC) conform to every applicable requirement of law or duly constituted authority or the requirements of the carriers of all insurance on or relating to the licensed premises. The Licensee at its sole risk and expense, at all times during the term thereof promptly comply with all such requirements. The Licensee shall comply with all applicable statutes, ordinances, rules and regulations of central, state governments, municipal bodies, and all applicable rules and also regulations of the Fire department. The Licensee shall also comply with all rules and regulations under the Metro Railways (Operations and Maintenance) Act 2002 and also to instructions issued from time to time from the MD, NMRC or any official of NMRC. Non-compliance with rules/ regulations/ notices and laws may be treated as breach of contract and may lead to termination of contract and forfeiture of interest free security deposit and other payments. Licensee shall comply with and abide by the judgments passed from time to time by Hon'ble Supreme Court / High Court or any other judicial/quasi-judicial body / authority / Tribunal. The same shall be the responsibility of Licensee.
- 13.13 Maintenance of Licensed Space(s):-** Licensee shall keep and maintain the licensed commercial space in neat, clean condition and in safe & sound manner during all the time of License tenure. Any defective, weak or corroded structure should be replaced immediately with new proper structure after due certification from reputed agency. In case of any incident / injury caused by advertisement media or any other installations due to error / omission attributable on the part of Licensee, the Licensee shall be responsible for all compensation. Licensee shall ensure that Licensee and its employees or other persons involved in the execution of the work does not in any way impinge on the safety and security of metro operations, safety & convenience of commuter, safety of metro properties and its assets. In case of serious accident caused due to negligence of the Licensee, resulting in injury, death to commuters or NMRC employees or loss to NMRC property, it shall constitute Material Breach of Contract and considered Licensees Event of Default that shall entitle NMRC to terminate the License Agreement with 30 days written notice.
- 13.14** Access to licensed premises for the purpose of placement of advertisements & other works shall be regulated by the office of the NMRC and the Licensee is required to take necessary permissions in this regard from the office. It is clarified that the permission to the Licensee shall not be unduly denied.
- 13.15** Joint inspection of licensed premises may be conducted by NMRC officials and Licensee, at mutually convenient time. Discrepancy noticed and instructions issued by NMRC shall be rectified/complied by the Licensee within a period of 7 days, failing which NMRC reserves the right to impose fine up to Rs. 10,000/- (excluding taxes) per instance of irregularity per week. Deliberate or willful non-compliance of NMRC written instructions for a period of Ninety (90) days shall constitute Material breach and Licensee Event of Default, which shall entitle NMRC to encash security deposit in part or full and or terminate the License Agreement after giving Ninety (90) days' notice to the Licensee.

Such termination of the Agreement and forfeiture of the interest free performance guarantee by NMRC shall be without prejudice to any other damages, rights or remedies applicable under law in its favor.

**Rules and Guidelines for release of Electric Power & other related items
(Indicative Only)
(This will be applicable in case electricity provided by NMRC)**

The following Rules & Guidelines (Clause No. 17.1 to 17.7) will be applicable at the time of release of Electricity (if Electricity will be provided by NMRC from its own source) to the Licensee's use subject to the condition that licensee must submit a "No Objection Certificate" issued by electricity power supply company/DISCOM Company in favor of NMRC Ltd. stating that 'NMRC may extend its electricity connection for commercial use by Licensee'.

17.1 Rules and Guidelines for release of Electric Power

- a) In case of availability of the spare Electricity, the Electric power to be sourced from existing available source of NMRC station. Availing power supply from outside agencies in NMRC is permitted in exceptional circumstances/provision mentioned in the RFP subject to execution of a tri-partite agreement among the licensee, NMRC and outside electricity provider as the case may be. All costs and expenses such as stamp duty etc. related to execution of tri-partite agreement among the licensee, NMRC and outside electricity provider shall be borne by the licensee. The disbursement of power at different metro stations shall be dealt with individually under separate connections.
- b) The power supply connection released for commercial activity shall be from the available NMRC power network, which is reliable having adequate redundancy. DG supply will not be made available. The power fed shall be from normal source without backup network, Licensees may however, provide UPS / Inverter at their cost if they so desire. Installation of DG set is not permitted.
- c) For elevated stations Licensee may provide AC (if required) at his own cost conforming to detailed specifications attached at Clause 17.1.8 of Chapter-17: Specifications of Air Conditioner
- d) NMRC will attempt to provide electricity at the point nearest to location; Licensee is required to pay the cost of electrical works required for extension of power from NMRC panel / DB up to site on actual basis + NMRC service charges @15%. Alternatively, Licensee may also undertake electrical work for extension of power from nominated source under NMRC supervision and complying all codal provisions as listed in NMRC specifications, upon payment of requisite fees of Rs. 10,000/- per feeder (one feeder with energy meter).
- e) NMRC provides power supply up to leased premises on chargeable basis. For meeting the requirement following works shall be done:
 - (i) Supplying and laying including end termination of suitable size (rating suitable for allowable electric load) LT FRLS cable (from source to nearest point) as per standard specifications.
 - (ii) Supplying and laying of meter box, pre-paid energy meter and MCB for extending the power. Pre-paid energy meters require periodic recharge if timely recharge is not done then electric supply is automatically disconnected.
- f) Licensee shall extend power supply from this Meter box at his own cost. List of approved makes and specifications to be complied for carrying out electrical works inside leased premises. Licensee is also (if required) comply with necessary provision for fire safety in accordance with stipulations mentioned. Work executed by Licensee shall be inspected by NMRC representative for ensuring compliance of specifications / stipulations of License Agreement
- g) At the end of the contract (pre-mature surrender/termination, natural completion, etc.), all cable, pre-paid meter, connected software, etc. shall be sole property of NMRC. The Licensee voluntarily and unequivocally agrees not to seek any claim, damage, compensation or any other consideration whatsoever on account of time and costs associated, in making provision of electricity.
- h) Mode of power supply: If Licensee desires they may seek temporary or permanent connection. Temporary connection is given for limited time i.e. 30 days.
- i) Permanent connection is given after ensuring all safety compliance and completion of electrical and fire safety works in leased premises in all respect.
- j) During tenure of temporary power supply Rs. 100/- per week per KW or part thereof shall be charged over and above applicable tariffs.
- k) In case of failure to convert, the temporary connection to permanent within stipulated time, temporary connection charge shall be doubled. Format of application for temporary and permanent connection and lists of documents required are attached.

- l) Tariff- Rate of electricity shall be charged from Licensee at which concerned Electrical Connection providing Agency would be charging, had they obtained electric connection from them. The tariff shall be applicable according to same.
- m) Payment of License Fee during the whole currency of the contract shall not be linked to release/availability of electricity at all the offered spaces. Any claim, compensation such as relaxation in license fee, extension of moratorium/fitment period etc. in this regard shall not be considered at any time during the whole currency of the contract.

All men and material and temporary earthing have been removed from our end & the installation is fit for energizing.

It will be responsible on behalf of Licensee for non-compliance of any of the above. Copy of my valid electrical Contractor license is attached.

Seal & Signature of the Licensee

Seal & Signature of Electrical Contractor
(Holding Valid License)

17.2 Specifications for Electrical Works

- a) Licensee is required to prepare all the plans/drawings for Electrical & Fire work to be carried by them and obtain prior approval of NMRC before execution. The work is required to be executed as per IE rules and through a licensed Sub Contractor. All costs associated with provision of electricity will be borne solely by the Licensee. The Licensee hereby voluntarily and unequivocally agrees not to seek any claim, damages, compensation or any other consideration whatsoever on account of time and cost associated in making provision of electricity.
- b) For Elevated station, load up to 10 KVA shall be given in single phase. Above this, it shall only be given in three phase. Licensee is required to balance load at his end so that no unbalancing occurs at NMRC end.
- c) Cables upto 6 Sq.mm will be of copper conductor and above 6 Sq.mm Aluminum conductors may be used. Cables for single phase shall be three core, with one core as earth. For three phase load, four core cable along with separate 2 nos. of 8 SWG GI wires shall be used for earthing.
- d) For elevated stations, all wires shall be FRLS. Cables shall be armoured, XLPE, FRLS.
- e) The meter along with MCB & ELCB box will be metallic and without any holes. DP MCB & ELCB is required for single phase supply. TPN MCB and ELCB is required in case of three phase. ELCB, cables, MCB rating for main connection shall be as per Table- 1 below.
- f) Licensee will provide a separate protection for their electric requirement with proper discrimination with upstream breaker.
- g) All materials specification must follow standards, codes and specification as used by NMRC in the E&M works.
- h) In case, the Licensee draws power more than the sanctioned load, electricity connection may be disconnected. The electricity connection will be restored on first occasion only when Licensee pays necessary penalty as per Uttar Pradesh Electricity Regulatory Commission norms and removes excess load. On the subsequent occasion, NMRC reserves the rights to revoke the license and forfeit the interest free security deposit.
- i) Only Galvanized Cable tray, Conduit, Cable Ladder shall be allowed.
- j) All Plastic accessories used in luminaries shall be non-flammable material, meeting all the NFPA requirements, preferable by UV.

17.5 Specifications of Air Conditioner

Split type air conditioners conforming to IS:1391(Part-2)-1992 with amendment No.1 fitted with hermetically sealed air compressor operating on refrigerant R-22 suitable for wall mounting and conforming to following specifications. Split AC shall be preferably five star rated. Approved makes are Hitachi / O-general / Daikin / Carrier.

General Technical Requirements

- a) Air conditioners shall be suitable for 230V, 50 Hz single phase AC supply, capable of performing the functions as Cooling, Dehumidifying, Air circulating and Filtering.
- b) The air conditioners shall be fitted with hermetically sealed type suction cooled reciprocating or discharge cooled rotary compressor (as applicable), compressor unit operating on Refrigerant R-22 with suitable rated capacitor start electric motor. It shall be equipped with overload protection. These shall be mounted on resilient mountings for quiet operation. The compressor shall conform to IS:10617 part (1)-1983 (amendment 1 & 2). Rotary compressor shall be covered by manufacturers test certificate.
- c) The air conditioners shall be complete with automatic temperature control and cut - in and cut-out etc. for temperature range 16 degrees to 30 deg. C. The differential of the thermostat for cut-in and cut-out shall not be greater than +/- 1.75 deg. C. The Air conditioners may either be provided with adjustable step less type mechanical thermostat or electronic thermostat as per IS:11338:1985.
- d) The filter pads provided shall be washable.
- e) The cabinet of the evaporator unit and condensing unit shall be made from galvanized steel sheet of 1.0 mm thick with galvanized coating thickness of 120 gm / sq. mtr and shall be provided with stiffness for robust construction and shall have rounded corners, steel parts/front panel etc. shall have stove-enameled finish preceded by undercoat of anti-corrosive primer paint phosphating and through cleaning of the surface. Alternate methods of corrosion protection like plastic powder coating, electrostatic paintings are also acceptable in lieu of stove enameled finish.

Tender for setting up, operating and maintaining mixed convenience stores in the form of kiosks through licensing of Bare Commercial Spaces at Sector-51, Sector-50 and Sector-137 Metro Stations of Noida – Greater Noida Corridor of Noida Metro Rail Corporation Ltd.

- f) Overall power factor of the unit shall be at least 0.85 at capacity rating test conditions.
- g) Maximum power consumption of the split air conditioners shall be at capacity rating test conditions.
- h) Galvanized sheet shall conform to IS: 277/2003.
- i) Standard evaluation of cooling capacity shall be done by connecting indoor and outdoor units with piping of 5 mtrs length with six bends of standard radius. Connecting copper tubing shall have dimensions suitable for the compressors offered with model.
- j) Refrigerant used shall be Freon-22.
- k) Inbuilt protection in IDU against electrical faults shall be provided. Compressor current shall not flow through Indoor units.
- l) The indoor units made of ABS/HIPS shall be of flame retardant and impact resistant life. ABS/HIPS indoor unit cabinet shall pass inflammability test requirement for Grade V-O as per UL-94. For impact resistance the unit duly packed, when dropped from a height of 1 Mtr. shall show no damage.
- m) Display shall be LED/LCD and provided on indoor unit or on Handset or on both. These displays shall be selectable.
- n) Remote control (Cordless) shall be provided with one On/Off timer, selecting Fan speed (Three speeds) and setting up of temperature.
- o) Installation of pipes, Insulation and cables beyond 6Mtrs, if required:-
 - i. Suction line copper pipe of 0.70 mm thickness.
 - ii. Liquid line copper pipe of 0.70 mm thickness.
 - iii. Expanded polyethylene foam or other suitable insulation tubing for suction line copper pipe.
 - iv. Drain pipe (15 mm dia flexible PVC pipe).
 - v. Suitable capacity 2 core PVC insulated copper wire 2.5 mm to electrically connect both the units with each other.
- p) Installation: Location of ODU is to be finalized after approval from NMRC. The installation at site shall comprise the following work:
 - i. Mounting/Fitting indoor & outdoor units at the respective locations.
 - ii. Laying refrigerant piping and connecting both the units after drilling hole/holes in the wall, if required. The thickness of the copper tubing shall not be less than 0.70 mm.
 - iii. Insulating the suction pipe with expanded polyethylene foam 5 mm tubing or other suitable.
 - iv. Laying 15 mm drain pipe to throw out the condensate water being formed in the indoor unit and connecting it to station drain.
 - v. Leak testing the entire system.
 - vi. Charging Refrigerant gas in the unit.
 - vii. Suitable electric wiring between indoor and outdoor, upto switch at location of indoor unit. Switch/Socket/Plug are also included.

17.6 Fire Safety Requirements

Kiosks: This category includes ATMs, Retails Outlet provided as bare space for a maximum area of 100 Sqm. Under this category, only fire Extinguishers are required is detailed in below in Table -1

TYPE & SPECIFICATION: BIS approved stored pressure extinguisher as per IS 15683:2006 and of type "A", "BC" or "ABC" conforming to risk protection as per IS 2190:1992. (Kg and Liters can be converted in same ratio i. e. 5 Kg = 9 Liters) Extinguishing medium inside extinguishers must be of their respective approved IS specification and of capacity –

AREA

The existing shops up to an area of 250 Sq. m. are integrated design part of a Metro Station. In addition to other Fire Safety measures each shop is to be provided with Fire Extinguisher as per Table -1.

For Shops of area above 100 Sq. m. and less than 250 Sqm., fire Extinguishers of capacity 10 KG and another of 18 Liters Water, these should be distributed in at least four units at two places remote to each other.

For bigger spaces, Licensee is required to obtain details of recommended suppression and detection system from NMRC in the beginning.

Declaration

On Non Judicial Stamp Paper of Rs. 100/- (duly notarised)]

I _____, son/daughter/wife of _____ Resident
of _____

_____ (hereinafter referred to as the "Applicant", which term shall mean and include executors, administrators, heirs, successors and assigns), do hereby swear and declare as under:

OR _____, a company incorporated under the provision of the Companies Act 1956/2013, a sole proprietorship, a partnership having its registered office at _____

_____ (hereinafter referred as "Applicant", which expression shall unless repugnant to the context or meaning thereof, include its successors and assigns), do hereby swear and declare as under:

That the Applicant is an occupant of the premises No. _____ at _____ having taken the premises from NMRC on the terms and conditions agreed to with NMRC which include that NMRC may supply electricity as a part of the lease or license of the premises, based on the commercial arrangement.

The Applicant has requested the NMRC to provide an electricity connection at the above mentioned premises in the Applicant's name for the purpose mentioned in the application form.

The Applicant hereby agrees and undertakes:

- 1.0 That the Applicant desires to have and agrees with NMRC to take supply of energy for the above mentioned purpose, for a period of not less than two years from the date of commencement of supply and to pay for the energy so supplied and all other charges at the rates as per Tariff Schedule and the miscellaneous charges for supply as may be in force from time to time, including advance Consumption Deposit etc.
- 2.0 That the Applicant shall have no objection for the Electrical Connection providing Agency to carry out Inspections of the Applicants' Meters & Equipment & any Observation made by such Agencies, which are acceptable to NMRC, shall be binding on the Applicant for Attention/Compliance.
- 3.0 That NMRC shall be entitled to disconnect the supply of energy by issuing a disconnection notice in writing, to the Applicant, if the Applicant is in default of payment of the due charges.
- 4.0 That the applicant shall pay the full amount mentioned in the Monthly/Bi-monthly Consumption Bill as raised by NMRC before the last date mentioned in such Monthly/Bimonthly Bill. Applicant shall provide Test Report/Calibration report in regard to Energy Meter installed. NMRC may ask Applicant to recalibrate the Energy Meter whenever considered necessary.
- 5.0 That all or any taxes/duties, as may be levied on the supply of electricity to the Applicant by NMRC, shall be paid and borne by the Applicant.
- 6.0 That the Applicant agrees that NMRC would accept an application from the Applicant for reduction in load only after two years from the original sanction. All applications for load enhancement by the Applicant would be dealt with by NMRC as a new connection and NMRC would follow the procedure as in the case of a new connection.
- 7.0 That NMRC shall have the right to recover the fixed charges due as per applicable tariff for the remaining License period in case the contract is terminated prior to the expiry of the contracted period.
- 8.0 That all the electrical work done within the Applicant's premises including wiring, power outlets and gadgets are used and maintained properly for guarding against short circuits/fires and are as per the Indian Electricity Rule, 1956 and other applicable laws, statutory provisions and standards in force at the time, and indemnify NMRC against any loss accrued to the Applicant on this account. Further, the Applicant agrees that if there is any harm/loss to the property of NMRC or to any other third party due to fault in the electrical work, outlets or apparatus within the premises of the applicant, all the loss shall be borne by the Applicant.
- 9.0 To pay NMRC all costs and expenses that NMRC may incur by reason of a fresh service connection being given to the Applicant.
- 10.0 To indemnify NMRC against all proceedings, claims, demands, costs, damages and expenses that NMRC may incur by reason of a fresh service connection given to the Applicant.
- 11.0 To be bound by NMRC's conditions of supply, and all applicable acts and rules.
- 12.0 That NMRC shall not be responsible for any interruption/diminution of supply.
- 13.0 Others
 - 13.1 Applicant will have to provide a Low voltage switch-board with MCBs & ELCB's of required capacity with Electronics Static Energy Meters having provision of MDI, TOD etc. of required capacity at his cost conforming to relevant BIS standards and of approved make along with test certificate shall be arranged by the applicant. The meter shall be installed and sealed by NMRC, either within the premises of the applicant or at a common meter

- room/board. Applicant shall not tamper with or disturb the meter in any manner whatsoever, and shall be responsible for its safety.
- 13.2 NMRC shall provide supply, if available, at one fixed point as per NMRC plan. All cabling work to tap off the supply from the fixed point and to avail it within his premises shall be done by the applicant. Approval to the layouts/schemes/details shall be taken from NMRC.
 - 13.3 Only FRLS cable of required size shall be used for tapping off supply from NMRC fixed supply to Applicant premises in rigid GI Conduit pipe.
 - 13.4 Applicant will also do wiring within his shop/stall by using GI conduit or fire resistance PVC casing /casing. The Applicant shall use FRLS copper wire of the required size (the wiring scheme, the type of wiring, size of wires, various loads, plug point, light fan etc. shall be as per NMRC's approval).
 - 13.5 NMRC will provide Power Supply of single phase, 230V, 50Hz for a max. Connected load up to 10kW, Electrical load requirement exceeding 10 KW will be given on 3-phase, 415V, 50 Hz subject to availability.
 - 13.6 Applicant shall be given only normal power supply available in station premises. Applicant may use suitable voltage stabilizers and power factor correction equipment as per his requirement. NMRC shall not be providing any standby power supply from station DG set or UPS.
 - 13.7 Applicant shall not be permitted to use any standby Diesel Generator Sets. Applicant will only be the permitted to use standby UPS/Inverter system will also be taken as a part of total connected load.
 - 13.8 The Total Demand Load & Total Connected load shall be treated as same. Applicant will have to pay applicable demand charges as per the Total Connected Load Only.
 - 13.9 Applicant shall use Energy efficient lighting & shall provide proper Lighting fixtures, Lamps, Electronic Ballast etc. Applicant shall provide uniform & good illumination level not less than 100 Lux in any case.
 - 13.10 Applicant shall use reputed Brand/make Electrical wiring and switch gear items. 13.14 The Electrical Contractor/agency at Applicant's cost shall carry the entire work. 13.15 NMRC's representative may inspect and supervise the work.
 - 13.11 Applicant shall provide proper Earthing connection as per the applicable standards and shall terminate the same to the NMRC's Distribution Board or to any other place as directed by the NMRC. Annexure-C

NMRC Policy for permission of LPG

NMRC shall permit installation of LPG Bank (Packed Installation) for purpose of cooking subject to fulfilling of statutory conditions and compliance of regulatory conditions by the licensee or sub licensee.

STATUTORY CONDITIONS

1. Packed Installations allowed only on Ground Level.
2. Packed Installation not allowed at place where they are likely to cause obstruction, suffer damages or exposure to conditions likely to affect safety of commuters.
3. Packed Installation not allowed inside the Station Building. The site for cylinder manifold is to be located away from kitchen. A minimum distance of three (03) meters required between packed installation and any building, public place or roadways.
4. A minimum distance of one (01) meter is required between the cylinder installation and the open surface water drain, if any.
5. Packed installation not allowed at place where they may be overheated i.e. close to steam pipe, boilers etc.
6. Cylinder Manifold, Pressure Regulators, Piping Valves, Tubing and Fittings (excluding Manifolds) shall comply to IS : 6044 (Part-I)-1971.
7. The maximum permitted capacity of packed installation shall be 500 Kg.
8. All workers of Licensee/NMRC staff on that Station be made well acquainted with the operation of Packed installation valves by the Licensee.

REGULATORY CONDITIONS

1. Packed Installation is to be slightly raised from the ground level. Cylinders shall be located on a concrete or brick floor without any cavity, in outdoor installation. The cylinders shall be installed in upright position with the valve pointing upwards.
2. The drawing of packed installation system shall be got approved from NMRC before start of work. The packed installation shall be suitably protected by automatic and manual sprinkler system.
3. The cylinder storage cabinet shall be of fire resistant construction. Flammable materials like wood and plastic not allowed. A lean to roof with expanded metal on angle iron framework on the side is considered suitable for this purpose. Since LPG is heavier than air, adequate ventilation is to be provided at floor level open to atmosphere. The ventilators shall be provided with two (02) layers copper or non-corroding metal wire mesh.
4. Main shut off valve on the pipeline emerging out of cylinder storage cabinet shall be located in such a manner that it just falls outside the storage cabinet and shall be easily accessible at all times. At the point of entry of each work place, the line shall have a quick shut off valve.
5. The storage cabinet shall have caution signs such as "DANGER", "HIGHLY INFLAMMABLE GAS SHED", "NO SMOKING" etc. painted in luminous red paint outside at a prominent place.
6. Safety cap is to be put on the empty cylinders.
7. The doors of the cabinet where cylinders are installed shall open outwards.
8. The nearby area of packed installation shall always remain clear of any vegetation.

SPECIAL NOTE

- i. In case of any alteration/deviation/violation of any one of above mentioned measures or failure in compliance of standards of IS: 6044 (Part-I)-1971 in packed installations, if noticed by the fire wing of NMRC will be liable for heavy penalty/cancellation of permission/termination of allotment by NMRC.
- ii. Licensee has to apply for grant of permission for use of LPG for the allotted shop/spaces with a drawing of proposed packed installation.

NMRC Policy for permission of Piped Natural Gas (PNG)

NMRC shall permit use of PNG for purpose of cooking subject to fulfilling of statutory conditions and compliance of regulatory conditions by the licensee or sub licensee.

STATUTORY CONDITIONS

1. Installation of the PNG system shall be done by the licensee through IGL or its authorized vendor.
2. The licensee shall submit the certificate from IGL/Its authorized certifying agency stating that the work has been done as per the approved standards, specifications and norms of the PNG pipe line system.
3. IGL guidelines to be followed in addition to NMRC guidelines.

The Guarantor agrees that NMRC shall be the sole judge to decide as to whether the Licensee has defaulted in the performance of its obligations as per the License Agreement, and the decision of NMRC in this regard shall be final and binding on the Guarantor, notwithstanding any differences in this regard between NMRC and the Licensee or any dispute pending before any Court, Tribunal, Arbitrator or any other Authority.
3. Any such demand made on the Guarantor by NMRC shall be conclusive, absolute, final and binding on the Guarantor, and the amount due and payable by the Guarantor under this Guarantee will be honored by the Guarantor, simply on demand, without demur, reservation, contest, protest, recourse whatsoever and without need for ascribing any reason to the demand. The liability of the Guarantor under this guarantee is absolute and unequivocal. The above payment shall be made without any reference to the Licensee or any other person.
4. This Guarantee shall be irrevocable, valid and remain in full force until..... (period of expiry) or till the end of 6(Six) month after completion of the License Period; or for such extended period as may be desired by NMRC, and as conveyed by NMRC to Bank.
5. In such case of renewal, the Guarantor shall renew the Bank Guarantee, sixty days prior to the expiry of validity of the Bank Guarantee and the process for extension of the Guarantee would be repeated till period of License Agreement is exhausted. **Failure to extend the validity of Bank Guarantee at least sixty days prior to the expiry date of Bank Guarantee** would lead to encashment of this Bank Guarantee as per the concept of extend or pay.
6. For last year of License period, the Licensee shall submit the Bank Guarantee valid for remaining License period plus six months and shall renew it, if required, till the final settlement of all accounts failing which the Bank Guarantee of the Licensee shall be invoked and encashed by NMRC without any prior notice to the Licensee.
7. This Guarantee shall continue to be enforceable till all amounts under this Guarantee are paid. The said Guarantee shall be released by NMRC after the expiry of the License Period subject to fulfillment of all handover requirements by the Licensee, to the satisfaction of NMRC and further subject to adjustment for all damages suffered by NMRC or submission of fresh/renewed Bank Guarantee.
8. This Guarantee is unconditional and irrevocable during the currency of BG till such time NMRC discharges this Guarantee by issuing a letter to the Guarantor in this behalf.
9. The Guarantor undertakes to pay the amount mentioned herein as Principal debtor and not a surety and it shall not be necessary for NMRC to proceed against the Licensee before proceeding against the Guarantor, notwithstanding the fact that NMRC may have obtained or obtains from the Licensee, any other security which at the time when proceedings are taken against the Guarantor hereunder, is outstanding and unrealized.
10. The obligations of the Guarantor shall not be affected by any variations in the terms and conditions of the License Agreement or other documents or by extension of time of performance of any obligations granted to the Licensee or postponement / non-exercise / delayed exercise of any of its rights by NMRC against the Licensee or any indulgence shown by NMRC to the Licensee, and, the Guarantor shall not be relieved from its obligations under this Bank Guarantee on account of any such variation, extension, postponement, non-exercise, delayed exercise or omission on the part of NMRC or any indulgence by NMRC to the Licensee to give such matter or thing whatsoever which under the law relating to sureties would, but for this provision, have effect of so relieving the Guarantor.

11. The Guarantee shall not be affected by any change in the constitution or winding up of the Licensee/the Guarantor or any absorption, merger or amalgamation of the Licensee / the Guarantor with any other person.
12. The Bank agrees that NMRC at its option shall be entitled to enforce this guarantee during its currency against the Bank as a Principal Debtor in the first instance without proceeding against the Licensee and notwithstanding any security or other guarantee that NMRC may have in relation to Licensee's liabilities.
13. The guarantee hereinbefore contained shall not be affected by any change in the constitution of the Bank or of the Licensee.
14. The expressions "Bank" and "Licensee" herein before used shall include their respective successors and assigns.
15. The Bank also agree that this guarantee shall be governed and construed in accordance with Indian laws and subject to the exclusive jurisdiction of the courts at **Distt. – Gautam Budh Nagar, Uttar Pradesh.**
16. Partial and Multiple drawings/withdrawals are permitted under this Bank Guarantee.
17. The Guarantor declares that it has power to issue this Guarantee and discharge the obligations contemplated herein and the undersigned is duly authorized to execute this Guarantee.
18. This guarantee shall come into effect forthwith and shall remain in force upto _____ or the extended period if any and shall not be revoked by the Guarantor at any time without NMRC's prior consent in writing.
19. Notwithstanding anything contained herein above:
 - a) Our liability under this Bank Guarantee shall not exceed and is restricted to Rs. _____ (Rupees _____ only).
 - b) This Guarantee shall remain in force up to _____.
 - c) Unless the demand/claim under this guarantee is served upon us in writing on or before _____ all the rights under this guarantee shall stand automatically forfeited and we shall be relieved and discharged from all liabilities mentioned hereinabove.

RECITALS

A. NMRC has granted Licensing Rights at _____ Metro Station to the Licensee at under the License Agreement dated _____ ("License Agreement").

B. Under the License Agreement, NMRC may provide electricity supply to the Licensee subject to availability and operational feasibility.

C. Due to technical, operational, regulatory or infrastructure constraints, NMRC may not be in a position to provide electricity supply to the Licensee.

D. The Licensee has therefore requested permission to obtain electricity connection directly from the Electricity Provider.

E. NMRC has agreed to permit such direct electricity connection subject to the terms and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the Parties agree as follows:

1. PURPOSE

The purpose of this Agreement is to set out the terms and conditions governing the provision of electricity supply by the Electricity Provider directly to the Licensee for the Licensed Premises where NMRC is unable to provide electricity supply.

2. PERMISSION BY NMRC

2.1 NMRC hereby grants permission to the Licensee to apply for and obtain electricity connection directly from the Electricity Provider for the Licensed Premises.

2.2 Such permission shall remain co-terminus with the validity of the License Agreement unless otherwise terminated in accordance with this Agreement.

2.3 NMRC's permission shall not be construed as creating any tenancy, leasehold right or ownership right in favour of the Electricity Provider or the Licensee.

3. RESPONSIBILITIES OF THE LICENSEE

3.1 The Licensee shall, at its own cost and expense:

- (a) apply for electricity connection from the Electricity Provider;
- (b) install all necessary electrical infrastructure, cabling, meters, panels, transformers, safety equipment and allied systems as may be required;
- (c) obtain all statutory approvals, permissions and sanctions required under applicable laws;
- (d) pay all electricity consumption charges, fixed charges, security deposits, duties, taxes, penalties and any other charges levied by the Electricity Provider or any governmental authority directly to concerned agency.

3.2 The Licensee shall ensure that all electrical installations comply with applicable laws, standards, safety norms and directions issued by NMRC.

3.3 The Licensee shall not undertake any electrical work that may adversely affect NMRC's systems, operations, signalling, telecommunications, safety systems or infrastructure.

3.4 The Licensee shall provide unrestricted access to NMRC and the Electricity Provider for inspection, maintenance, repair and emergency operations.

4. RESPONSIBILITIES OF THE ELECTRICITY PROVIDER

4.1 Subject to applicable laws and feasibility, the Electricity Provider shall provide electricity connection directly to the Licensee.

4.2 The Electricity Provider shall install and maintain its equipment, meters and associated infrastructure in coordination with NMRC and the Licensee.

4.3 The Electricity Provider shall ensure that its installations and operations do not interfere with NMRC's Rail operations, safety systems or infrastructure.

4.4 The Electricity Provider shall comply with all safety, security and operational protocols prescribed by NMRC while entering or working within NMRC premises.

4.5 The Electricity Provider shall disconnect the electricity supply provided to the Licensee as and when intimated to do so without any intimation to the Licensee, and the Licensee shall have no objection in this regard.

5. NO LIABILITY OF NMRC

5.1 NMRC shall not be liable for:

- (a) interruption, fluctuation, failure or quality of electricity supply;
- (b) any dispute between the Licensee and the Electricity Provider;
- (c) any loss, damage, injury or business interruption suffered by the Licensee arising out of electricity supply or non-supply.

5.2 NMRC shall not be responsible for obtaining any approval or sanction from any authority in connection with the electricity connection.

5.3 NMRC does not guarantee uninterrupted access or availability of space for installation beyond what is operationally feasible and permissible.

6. INSTALLATION AND SAFETY

6.1 All electrical works shall be carried out strictly in accordance with applicable laws, Indian Electricity Rules, CEA Regulations, fire safety norms and NMRC guidelines.

6.2 The route, design and location of all cables, meters, ducts and associated infrastructure shall be subject to prior written approval of NMRC.

6.3 The Licensee and the Electricity Provider shall ensure that no installation compromises structural integrity, passenger safety or rail operations.

6.4 NMRC reserves the right to require relocation, modification or removal of any electrical installation if considered necessary for operational, safety or developmental reasons.

7. PAYMENT OF CHARGES

7.1 All charges payable to the Electricity Provider shall be borne solely by the Licensee.

7.2 NMRC shall have no financial liability towards the Electricity Provider in respect of electricity supplied to the Licensee.

7.3 In the event of non-payment by the Licensee, the Electricity Provider may take action in accordance with applicable law, including disconnection of supply, after due notice to NMRC.

8. INDEMNITY

8.1 The Licensee shall indemnify and keep indemnified NMRC against all claims, losses, damages, liabilities, penalties, costs and expenses arising out of:

- (a) electrical accidents;
- (b) statutory violations;
- (c) damage to NMRC property;
- (d) acts or omissions of the Licensee or the Electricity Provider in relation to electricity installations or usage.

8.2 The Electricity Provider shall indemnify NMRC against claims arising from defects, negligence or failure attributable to the Electricity Provider.

9. TERM AND TERMINATION

9.1 This Agreement shall remain valid until expiry or termination of the License Agreement unless terminated earlier.

9.2 Upon expiry or termination of the License Agreement:

- (a) the electricity connection may be disconnected as and when intimated by NMRC to the Electricity Provider;
- (b) the Licensee shall remove its installations, subject to NMRC directions;
- (c) the Licensee shall restore the premises to the satisfaction of NMRC.

9.3 NMRC may terminate this Agreement by written notice in case of:

- (a) breach of safety requirements;
- (b) unauthorized installations;
- (c) interference with metro operations;
- (d) breach of the License Agreement.

10. ACCESS AND COORDINATION

10.1 Entry of personnel of the Electricity Provider into NMRC premises shall be subject to NMRC security protocols.

10.2 The Parties shall coordinate for shutdowns, maintenance and emergency operations.

10.3 Emergency access may be granted by NMRC subject to operational feasibility and security requirements.

11. GOVERNING LAW AND DISPUTE RESOLUTION

11.1 This Agreement shall be governed by and construed in accordance with the laws of India.

11.2 Any dispute arising out of or relating to this Agreement shall first be resolved amicably through mutual discussions.

11.3 Failing amicable resolution, the dispute shall be referred to arbitration in accordance with the Arbitration and Conciliation Act, 1996. The venue of arbitration shall be _____. The proceedings shall be conducted in English.

11.4 Courts at Gautam Budh Nagar shall have exclusive jurisdiction.

12. MISCELLANEOUS

12.1 This Agreement shall be read in conjunction with the License Agreement. In case of inconsistency, the License Agreement and NMRC operational/safety requirements shall prevail.

12.2 No amendment to this Agreement shall be valid unless made in writing and signed by all Parties.

12.3 No Party may assign its rights or obligations without prior written consent of the other Parties.

12.4 If any provision of this Agreement is held invalid, the remaining provisions shall continue in full force and effect.

12.5 Upon availability of electricity supply from NMRC, the licensee shall be obligated to avail such supply from NMRC. For this purpose, electricity supply shall be deemed available in the following circumstances:-

- a) Upon augmentation of NMRC's designated capacity; or
- b) Upon availability of already sanctioned electricity supply consequent to its surrender by an existing licensee.
